

Lifting of Water Notice

Irish Water & Cork County Council

Date 14/02/2014

On the advice of the Health Service Executive, Irish Water and Cork County Council issued a boil water notice for a list of water supplies on 13/02/14.

Irish Water and Cork County Council wishes to notify consumers, following advice from the Health Service Executive, that Irish Water and the Council are now in a position to remove the boil water notice with immediate effect for the list of water supplies identified hereunder.

Everyone can now resume normal use of the water supply for drinking, food preparation and brushing teeth.

Irish Water and the Local Authority/Health Service Executive Water Liaison Group will continue to meet and will review ongoing process control, monitoring and testing of the drinking water supply.

Cork County Council Contact Centre (021 4285353) is available to answer customer queries in relation to this water notice. Further information is available on the www.corkcoco.ie.

Irish Water and Cork County Council acknowledge the patience, cooperation and assistance of the general public during the period of the boil water notice and greatly regrets any inconvenience caused to householders and the business community.
