The New 2014 Life M9 Next Generation 9-Plate Water Ionizer

LIFE Ionizers Exclusive Industry-leading technology!

504 Watts of ionizing power of ionizing power* gives you the best pH and -ORP for optimized, healthy water..

- **Max Yield™ SMPS power supply** provides **more power**, greater **efficiency**, and ultimate **durability**. That's why the **LIFE M9 Next Generation** comes with a guaranteed lifetime warranty on parts and labor!
- **Vitamin C Ceramic Block™ Filtration technology** (patent pending) – exclusive to Life Ionizers, this filtration technology is the **ultimate for chlorine and chloramines reduction**.
- **Reverse Action Dual Cleaning (RADC™) system cleaning technology** The RADC™ System along with our citric acid cleaning cartridges protects your investment from some of the effects of hard water.

Features that make LIFE Ionizers Next Generation better:

- **9 Max Plate™** large ionizer plates, along with our **high powered Max Yield™ SMPS power system**, and **MESH** plates **deliver more power** per square inch than any other electrode on the market. More power and more Titanium/Platinum surface area than the

Enagic/Kangen
SD 501.

- **Automated self-diagnostic system** maintains **peak performance**
- Widest range of pH and ORP selections when using our Natural Life Acid Supplement.
- We find the contaminants in your water with a **FREE analysis** of your local water quality report
- We address the impurities we find in your water quality report by giving you a **FREE custom-configured pre-filter system**
- **Fully convertible to under-the-counter use** with our optional attractive stainless steel faucet system this is a **high grade stainless steel** as most other companies use "stainless steel" that is actually a plastic coating.
- Easy to read and use touch screen controls with voice prompt.

To get the best ionization performance, you need the right combination of power, electrodes, and technology. LIFE M9 packs a lot of **Max Yield™ SMPS Power**, and offers you the choice of flat electrodes or option MESH **MAX Plates™**, which can increase the pH and ORP performance of an ionizer by as much as 15%.

LIFE Ionizers cares about your health more than any other ionizer company

LIFE Ionizers is the only ionizer company that checks your water quality report to find contaminants in your water and gives you a free pre-filter system to make sure we filter any toxins we find your water. LIFE is the only ionizer company in the industry that cares enough about you to check for contaminants in your water! We also offer you a [Free Gold Membership](#) in the [AlkalineLifestyle.com](#) Community website to **help you reach and maintain your health goals**.

Alkaline water for your health

According to health experts, essential minerals like calcium and magnesium are 30% easier to absorb from drinking water than they are from food*. **Mineral rich water is good for your health**, calcium helps build and maintain healthy **bones**, **magnesium** also helps build and maintain a healthy immune system. LIFE Ionizers makes your water healthier by filtering out toxins and **raising the pH** and antioxidant (–ORP) potential. The result is the healthiest, freshest tasting glass of water you ever drank, as fresh as a mountain spring.

Vitamin-C Ceramic Block Filter Technology™ – Exclusive advanced protection

LIFE Ionizers Vitamin C Ceramic Block™ (patent pending) **filtration** is the **ultimate** in **chlorine** and *chloramines reduction*. Vitamin C filtration is **used by hospitals** and **laboratories** to **eliminate chlorine** and **chloramines** in water – and only LIFE Ionizers has it!

Even our competitors admit: **LIFE Ionizers is the undisputed industry leader in filtration technology!**

Reverse Action Dual Cleaning (RADC™) Technology

All ionizers have a cleaning cycle, but only LIFE has RADC™ cleaning technology designed to improve ionizer reliability in hard water. . Your easy-to-maintain LIFE Ionizer is ready to provide you with years healthy, refreshing alkaline water!

All LIFE alkaline water ionizers come with sophisticated internal computer diagnostics that self-check the ionizer at every use. This system maintains your ionizer at peak performance at all times.

Larger electrodes for more antioxidant potential

The quality of the electrodes is the most important factor in the longevity and reliability of an ionizer. LIFE Ionizers new Titanium/Platinum Max Plates™ are designed to last the life of your ionizer! The high quality and thick coating of platinum on LIFE Ionizers electrode plates is the reason that LIFE Ionizers is able to guarantee its electrode plates for Life.

LIFE M9 Style and Convenience

The new 2014 LIFE M9 **Next Generation** comes in your choice of attractive finishes; Charcoal or Black. The M9 is a counter top ionizer and can be converted to an under counter with optional attractive stainless-steel faucet control that compliments the look of any kitchen. The M9 is a counter top ionizer, which is great if you want to take it with you when you travel.

Health • Purity • Great Tasting Water • Warranty • Convenience – You get it all in a LIFE Ionizer!
